DRAWING SOCIETY FOR ADULTS
FALL 2018

The Zimmerli offers beginning and advanced artists an opportunity to draw both from the live model and from the museum’s world-class collections. Each session is overseen by master artists Wes Sherman and Tom Rutledge. The museum provides drawing boards, live models at select sessions, and professional instruction; participants supply their own drawing pads, portable easels, and other materials suggested by the instructors. Class enrollment is limited to 16 participants for each instructor. A class schedule and a list of suggested supplies will be sent via email to registered individuals in early September. There is no designated parking for this program; metered parking is available on Hamilton Street and adjacent streets, or in the Gateway Center Parking Garage.
